I am Advait Kasturi, a Computer Science and Engineering student at Guru Nanak Institute of Technology with a strong passion for app and web development. I build impactful projects and actively contribute to the tech community. Currently, I serve as Web Development Lead at Google Developer Groups (GDG) Guru Nanak Institutions and Tech Lead at IEEE Student Branch GNI, where I lead innovative projects and initiatives. I'm also involved in organizing tech events to foster peer learning and collaboration.
